

# You're Invited to a day at the Beach

**Who:** Anyone interested in spending a few hours on the beach in support of marine conservation science

**What:** Hunt for marine debris with researchers from the Coastal Observation and Seabird Survey Team (COASST), conduct a beach clean-up, and learn about attending a COASST marine debris monitoring training session

**Where:** Carkeek Park

**When:** 10am - 2pm on July 20th

Reserve your spot by email: [coasst@uw.edu](mailto:coasst@uw.edu) or phone: 206-221-6893
