Cannon Beach City Hall
Council Chambers
163 E Gower Ave
Cannon Beach, WA 97110

Join the Coastal Observation and Seabird Survey Team (COASST) and help make a difference for the environment!

COASST
University of Washington
School of Aquatic & Fishery
Sciences

COASST participants collect data on beach-cast carcasses of marine birds on a monthly basis to establish the baseline pattern of bird mortality on North Pacific beaches. Data collected helps address important marine conservation issues and protect marine resources. Beach surveys are best conducted in groups of 2 or more—please come with a survey partner in mind or plan to join a team during training.
