

BEACHWALKERS wanted!

COASST BEACHED BIRD TRAINING SESSION

RSVP by contacting:

coasst@uw.edu
206-221-6893

SATURDAY, June 1, 2024

10:00am–4:00 pm

Lopez Island Library
2225 Fisherman Bay Rd

**Join the Coastal Observation and Seabird Survey Team,
and help make a difference for the environment!**

COASST participants collect data on beach-cast carcasses of marine birds on a monthly basis to establish the baseline pattern of bird mortality on North Pacific beaches. Data collected helps address important marine conservation issues and protect marine resources. No prior scientific experience is needed. Beach surveys are best and most fun when conducted in groups of 2 or more — so please come with a survey partner in mind or in tow! The training is free, but we do ask for a \$31 refundable survey kit deposit to take the materials home.
